ASSA ABLOY

In many organizations, shared portable devices, such as laptops, are prone to being lost, damaged, mislaid or stolen.

Our Laptop Locker solutions enable businesses to protect their technology and intellectual property better while gaining complete visibility and improving critical processes.

Our unique RFID technology ensures you always have full visibility of your equipment.

Charging facilities can be added to ensure laptops are fully charged before being issued to personnel.

Traka's Laptop Lockers enable you to secure, audit and manage your valuable technology investment, resulting in 100% user accountability, better utilization and significantly reduced loss or damage.
